The 40 metres counties contest held last weekend was well supported, with most counties represented and plenty of interest also from British stations, some of which were looking for Worked All Ireland squares. We would like to remind those who participated to submit their logs as soon as possible; note that the deadline for log submission is next Sunday, 31st May. Logs should be sent to the contest manager Joe EI7GY, his contact details are on the IRTS web site.

The next IRTS contest is CW Field Day, which takes place over the weekend of 6th and 7th June. A number of IARU Region 1 countries hold CW field day contests over the same weekend. The contest runs for 24 hours from 15:00 UTC on Saturday. See [www.irts.ie/contests](http://www.irts.ie/contests) for full details.
